SUBJECT: Resolution Ratifying Execution of Notification of Training between Miami-Dade County and the United States Department of the Army

Recommendation

It is recommended that the Board of County Commissioners (Board) ratify the County Mayor or County Mayor's designee action in executing the Notification of Training between the United States Department of the Army and Miami-Dade County for the Army to conduct training activities within Miami-Dade County scheduled to commence September 17 through September 22, 2015.

Scope

The Notification of Training is between the United States Department of the Army and Miami-Dade County through the Miami-Dade Police Department (MDPD). Training will occur primarily within the boundaries of Miami-Dade County.

Fiscal Impact/Funding Source

There is no fiscal impact to the County.

Track Record/Monitor

Acting Major Janna Bolinger-Heller, of MDPD's Homeland Security Bureau, will track and monitor the Notification of Training and related training.

Delegation of Authority

The County Mayor or County Mayor's designee is authorized to execute the Notification of Training between the United States Department of the Army and Miami-Dade County.

Background

The Notification of Training requires signature by Miami-Dade County because the training schedule and notification from the United States Department of the Army did not allow time to submit the resolution to the Board prior to the summer recess period. As a result, ratification of the County Mayor or County Mayor's designee action to execute the Notification of Training is necessary.

The United States Department of the Army conducts training in various locations throughout the United States. This Notification of Training grants authority to the United States Department of the Army to conduct training locally in Miami-Dade County scheduled to commence September 1 through September 22, 2015. The training will be coordinated with the MDPD, and will involve military personnel, government civilian workers, and contractors. All personnel will be training under official government orders and will have government issued identification. This is an important partnership for Miami-Dade County and the Miami-Dade Police Department.
